Subject: Re: SWIFT RESPONSE REQUESTED: Peer Review Focus

Cathy -- Garwin and I suggest this prioritization of Delta sections for Dave Hankin.

Section 2.5.5 Bay-Delta Division, especially:
2.5.5.1 Delta Conceptual Model and Recent Delta Science
2.5.5.3 Delta Cross Chanel Operations
2.5.5.8 South Delta Export Operations
Lower priority: 2.5.5.9 South Delta Agricultural Barrier Operations

Hey Division Leads -

I have a short turn-around request. Dave Hankin is one of our reviewers and is struggling a bit with the volume of info we have submitted.

I'd like to provide him with a targeted list of where it would be most beneficial for him to review. ***Please offer any revisions to this initial draft list.*** If you'd like to have the context, take a look at the panel charge (attached).

Section 2.1 Analytical Approach (read not so much to review that we are right but more to understand our approach and provide basis for answering the review questions).

Section 2.5.2. Upper Sacramento/Shasta, specifically:

- o Section 2.5.2.3.1.1, especially Section 2.5.2.3.3.1.1 subsection for Winter-Run Chinook Salmon
- o Section 2.5.2.3.3, especially Section 2.5.2.3.3.2 Summer Cold Water Pool Management and subsection for winter-run Chinook salmon 2.5.2.3.3.2.1 Winter-Run Chinook Salmon

Section 2.5.5 Bay-Delta Division
Barb to provide some specifics

Anything else, if we are being targeted and prioritizing?

Thanks,
Cathy
