Thanks, Howard. All, and based on discussions with Howard, to make sure we establish a NMFS pens down deadline based on this, that would be COB Wed 26th. There's a lot of production and final editing to push this out on July 1st. So any comments on terms and conditions need to be received on 25th (24 hour review since we will share with you in 24th, or earlier if ready, but we will be talking up until then).

Barry, Paul and Ernest,  
I am resending the NMFS internal schedule to include a few more details that were missing from the version that I sent out earlier. Please use this version instead.
